

附件 1：2021 年光电春季香港线上访学项目日程

Visit from Chongqing University

Time slot	Speaker	Contents
22 April,2021 2:30pm-5:30pm	Prof. TSAI Din-Ping Dr. CHEN Mu-ku Prof. TAM Hwa-yaw	Introduction about EIE department and seminar Seminar Introduction about EE department and seminar
24 April,2021 9:00am-12:00am	Prof. Chao Lu	optical communication systems and networks, fiber sensor systems.
24 April,2021 2:30am-5:30pm	Prof. Alex Wai Dr. Dongmei Huang	Nonlinear Optics High performance swept sources
25 April,2021 9:00am-12:00am	Prof. APing Zhang Wu Xiong, Hua Zheng,	Specialty optical micro/nano-fabrication technologies Lab Tour
25 April,2021 2:30am-5:30pm	Dongmei Huang, Jingxian Cui, Zhuo Wang	Lab Tour
29 April,2021 2:30am-5:30pm	Prof. Changyuan Yu	Smart health monitoring based on optical fiber strain sensor
4 May,2021 9:00am-12:00am	Prof. Wen Chen	Single-Pixel Imaging and Transmission
4 May,2021 2:30am-5:30pm	Prof. LAU Pak-tao Alan	Machine learning applications in optical communications
5 May,2021 9:00am-12:00am	Prof. Wei Jin	optical fiber sensors and optical gas detectors
5 May,2021 2:30am-5:30pm		Summary and symposium
